<b>DMX344</b>	<b>Publish a Web Poll</b>
<b>Order of Steps</b>	<b>Tasks</b>
<b>Step 1</b>	Log into <b>DocuMatix</b>
<b>Step 2</b>	Click on <b>“Web Poll”</b> located in the menu on the hand left side of the page
<b>Step 3</b>	Click on the web poll and click <b>“Publish”</b>
<b>Step 4</b>	Click <b>“Yes”</b>
	A window will pop up with HTML information to integrate into an email or website.
	 <p>The screenshot shows the DocuMatix interface with a 'Web Polls' window open. A 'Web Settings' dialog box is displayed, showing HTML code for integration into a website and an email. The website HTML code includes a script for the poll and a poll question: 'Learning Poll' with options 'Learning', 'How many people should a learning class hold?', 'Large', and 'Medium'. The email HTML code is a table with the same poll question and options. A 'T-Shirt Size Poll test manny' window is also visible in the background.</p>
